FOR IMMEDIATE RELEASE: June 15, 2018

Walk/Run Event to be Held on Downtown Airport Roads June 16

The KC Running Company will be partnering with VML to sponsor a Father's Day Four-Mile Run/Walk on Saturday, June 16, 2018 from 8:00 to 9:30 a.m. on roads at Charles B. Wheeler Downtown Airport. The event will benefit the City Union Mission. Although one lane of traffic will be open and police will be one scene, motorists using airport roads should be aware of this activity, drive slowly and be prepared to stop.

There will be approximately 400 participants that will start and finish in the VML parking lot at 250 NW Richards Road.

The participants will start northbound on NW Richards Road and will make one full loop counter clockwise around the airport. They will remain in one lane of traffic and will be led by Kansas City Police Department Officers, who will also assist with traffic control.

There will be at least one water station along the route as well as pop-up tents and water stations in the VML parking lot.

More information on the KC Running Company can be found at the link below:
