**RUNWAY 1-19 CLOSED THIS WEEKEND

POTENTIAL FOR ADDITIONAL RUNWAY 1/19 CLOSURES IN THE FUTURE**

Please be advised that Runway 1-19 will be closed this weekend to remove existing markings and repaint the runway. Additionally to accommodate work in the runway intersection, there will be four hours that both runways will be closed. Unfortunately, due to the unfavorable weather conditions for painting, we may be forced to close Runway 1/19 at a later date to finalize this project. Additional information will be disseminated if these closures are necessary.

**RUNWAY 1-19 CLOSURES**

- Friday, October 12, 2018 2000 hours (0100Z) to Monday, October 15, 2018 0500 hours (1000Z)

**RUNWAY 1-19 AND RUNWAY 3-21 CLOSURE – DATE CHANGE!**

- Saturday, October 13, 2018 1400 hours (1900Z) to Saturday, October 13, 2018 1800 hours (2300Z)

Please note that the construction work is weather dependent. If inclement weather is expected, these runway closures may be cancelled. Please check NOTAMs for the most current information.

**PLEASE NOTE: THERE WILL BE FOUR HOURS THAT BOTH RUNWAY 1-19 AND RUNWAY 3-21 WILL BE CLOSED TO FIXED WING AIRCRAFT - SATURDAY, OCTOBER 13, 2018 FROM 1400 (1900Z) – 1800 (2300Z)!**

I apologize for this last minute modification to the schedule. Please understand that the Aviation Department, contractor, and design engineers are doing everything within our control to complete this project while minimizing the adverse impact on you.
